

He's More Than Just My Savior

By Ben Townsend

Chorus: For He's more than just my Savior, He's the heartbeat of my life,
He's the lily in my valley, a watchman o'er my darkest night,
I see God's Son rise in my morning, and all day long He's in control,
For He's more than just my Savior, He's my best friend forever,
He's the life that's in my soul.

1. I remember when I first met my Savior,
He took away my sins and changed my life,
I remember when He told me to follow Him,
And I gave all my own desires, I'm living life with His holy fire within.

Chorus: For He's more than just my Savior, He's the heartbeat of my life,
He's the lily in my valley, a watchman o'er my darkest night,
I see God's Son rise in my morning, and all day long He's in control,
For He's more than just my Savior, He's my best friend forever,
He's the life that's in my soul.

2. And now I live life abundantly,
He leads and guides me each and every day,
I know I always will follow Him,
He speaks to me with His holy Word, I pray to him for He's my Lord and Friend.

Chorus: For He's more than just my Savior, He's the heartbeat of my life,
He's the lily in my valley, a watchman o'er my darkest night,
I see God's Son rise in my morning, and all day long He's in control,
For He's more than just my Savior, He's my best friend forever,
He's the life that's in my soul.
For He's more than just my Savior, He's my best friend forever,
He's the life that's in my soul.
Yes He's more than just my Savior, He's my best friend forever,
He's the life that's in my soul.
