

Story the Fairytales Fake

By Ben Townsend

I've got one up on Cinderella, I went to a different ball,
The King sent out to the highways and hedges inviting one and all,
I showed up at the castle all dressed in the rags of my sin,
The King looked down with compassion and let me in.

Chorus: I've been redeemed, I'm a child of the King,
It's more than a dream, this is a true reality,
I've been reborn, and His face adorns, for true love's sake,
And it's a story the fairytales fake.

I was that ugly duckling that no one loved,
Everyone made fun of me so I looked above,
The Father in Heaven showed me His crucified Son,
I asked Him to make my heart white as a beautiful swan.

Chorus: I've been redeemed, I'm a child of the King,
It's more than a dream, this is a true reality,
I've been reborn, and His face adorns, for true love's sake,
And it's a story the fairytales fake.

Once upon a time there was a girl (boy), that girl (boy) was me,
Darkness covered my life, I could not see,
Then suddenly a Prince named Jesus rescued me,
Now I'll live happily-ever-after with Him in eternity.

Chorus: I've been redeemed, I'm a child of the King,
It's more than a dream, this is a true reality,
I've been reborn, and His face adorns, for true love's sake,
And it's a story the fairytales fake.
It's a story all the fairytales fake.
