

Other People's Bad Habits

I am particularly offended By **other people's bad habits**
That are not the same as my own (At the present time)

The way they always do those things
This and that and other stuff
That I don't have the time, money, or energy
To do any more

But if you got some things to say About stuff I do everyday
That is not the same as yourself (At the present time)
Who, tell me who
That's W. H. O. died and made you king?
