

Famous Dead Guys

La-lala—la-lala-lala-la-la-la—la-la-lala-la-lalalalala-la-la

I am older than a lot of famous dead guys,
A lot of famous dead guys didn't live as long as me.
Oh sure they accomplished more in a lot less time.
But they are dead and what good does that do you?

Now if I become famous and they know me round the world.
When I croak everyone can say he sure didn't do as much as some other dead guy,
But he had more time to do it in.
