

President's Birthday Song

When it's the president's birthday, don't sit around and mope,
Because we are observing, please stay behind the rope,
While the former White House residents, including the present President,
Are having a birthday party on this day.

Chorus: There's George, John, Thomas, James, James, John, Andrew, Martin,
Tell William, John, and James that the party's almost startin'.
Zachary, Millard, Franklin, James, and Abraham,
Andrew, Ulysses, Rutherford, James, Chester, Grover, and Benjamin.
For some unknown reason, Grover got elected twice,
Though William, Theodore, William, and Woodrow are so nice,
Warren, Calvin, Herbert, Franklin, Harry, Dwight, and John,
Lyndon, Richard, Gerald, Jimmy, Ronald, George, and William (and Dubya)

They're shakin' hands and kissing babies and eatin' jelly beans,
They dance and they sing, and they send in the Marines,
Eatin' cake and watchin' cable, givin' gifts under the table,
When the president's birthday is observed.

Chorus: There's George, John, Thomas, James, James, John, Andrew, Martin,
Tell William, John, and James that the party's almost startin'.
Zachary, Millard, Franklin, James, and Abraham,
Andrew, Ulysses, Rutherford, James, Chester, Grover, and Benjamin.
For some unknown reason, Grover got elected twice,
Though William, Theodore, William, and Woodrow are so nice,
Warren, Calvin, Herbert, Franklin, Harry, Dwight, and John,
Lyndon, Richard, Gerald, Jimmy, Ronald, George, and William (and Dubya)

All the former White House residents, including the present president,
Are having a Birthday party on this day.
