Intro Music...

"The Fight is on, the Trumpet now is ringing out, the call to arms..."

BM: Hello, friends. This is Pastor Emeritus Robert McCurry with the Heritage Hour broadcast for today. Today's subject is: How are we going to get Dr. Dixon out of this mess he got himself into this time? In my monologue section today, let me just say: "It's all Ben Townsend's fault.... And Herb Evans too... And the IRS... And the government... especially George W. Bush, but mostly Ben Townsend." Please call in. Let me give you our call-in number – 1-800-SAVE-DOC... (Ring...) Hey, folks, we finally have a caller to the Heritage Hour. That's a first. Hello?

HE: HA-HA-HA-HO-HO-HO-HE-HE-HE!

BM: Well, I don't know who that caller is, but his voice sounds familiar. I think I may have met him in Nebraska. By the way, have I told you all about the Nebraska situation? That was Ben Townsend's fault also...and Herb Evans...and the government...and George W. Bush... (ring) Hey, another caller! That is a record for this show. Hello?

HE: I didn't just fall off no cabbage truck...

BM: There must be some static on this phone line. Maybe we can get it fixed. I was saying, I was in Nebraska, and I think a Pastor Cunningham was there, and we were talking about Ben Townsend and Herb Evans, and...(ring) Hey! *Another* caller. We are setting a precedent today. I wonder who this could be? Yes, caller, you are on the Heritage Hour with Pastor Emeritus Robert McCurry. And how do you think we should get Dr. Dixon out of this mess?

CR: I think Doc Dixon should REPENT and FORGIVE and go on with his life.

BM: Caller, it is "strange you have never given him the courtesy of talking to him about the matter"! "Do you know who I am?"

CR: But this is a call-in show. I didn't know you had...

BM: I think I lost him. Maybe we should go to an AnonStar Commercial. No, call screener? We should try to take more calls? Okay. By the way, the call screener is Dr. Dixon himself. We welcome him to Sharpsburg, Georgia. Since he is an Emeritus, he also has nothing to do but spend all his time hounding active pastors. I don't know how these crank calls are getting through today. Well, we will continue with the theme for today: How do we get Dr. Dixon out of this mess? (ring) We have ANOTHER caller. Hello?

HE: Amen! Hallelujah, praise de Lawd, does I have a witness???

BM: Do you know that I was regenerated before I was born??

HE: Yawn! Burp!

BM: Who is this nutcase that keeps calling? I see we are out of time again today. Thank you for all the calls. I just want to reiterate: It's all Ben Townsend's fault...and Herb Evans...and the IRS...and John Ashcroft, or whoever is the new Attorney General...and the rest of the government...and especially George W. Bush. See you again tomorrow right here on the Heritage Hour with Pastor Emeritus Robert McCurry, and we'll discuss for your enjoyment some more of these great Biblical X rated doctrines straight from the Bible. Please, take us seriously.

Exit music: "Hold the fort, for I am coming..."
